Midwest Medication Safety Symposium

September 12 – 14, 2018

Indianapolis, IN

Target Audience: This activity has been designed to meet the educational needs of Nurses, Pharmacists and Pharmacy Technicians.

Goal Statement: Attendees will learn new ideas or skills that they can take back to their respective organizations and implement to improve medication safety.

Symposium Learning Objectives:

1. Explain medication safety definitions and tactics for frontline staff, students, and new practitioners
2. Recognize the importance of an interdisciplinary approach to medication safety.
3. Review opportunities to improve medication safety through the use of technology.

Pharmacist and Pharmacy Technician Accreditation Statement - Purdue University College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. This is a knowledge based, continuing education activity of Purdue University, an equal access/equal opportunity institution. Individual presentation titles, Universal Activity Numbers (UANs) and contact hours are listed on attached agenda. Presentation learning objectives and speaker disclosures will be available in writing prior to symposium.

Nurse Accreditation Statement

Purdue University Continuing Nursing Education is accredited with distinction as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

Disclosure of Conflicts of Interest:

All faculty and staff involved in the planning, review or presentation of continuing education activities sponsored/provided by Purdue University College of Pharmacy are required to disclose to the audience any relevant commercial financial affiliations related to the content of the presentation or enduring material. All additional planning committee members, reviewers and staff of Purdue University have nothing to disclose.

Required for Completion - To receive credit for each presentation attended, you will receive a verification code which will be used to access the online Evaluation/Request for Credit. Nurses certificates of credit will be emailed within 45 days. Pharmacists and Pharmacy Technicians will not receive certificates, the earned credits will be uploaded to CPE Monitor by Purdue University within 45 days.

Any accreditation questions may be directed to Dawn Sinclair at Purdue University via email, sinclaid@purdue.edu. Questions regarding CPE credit and CPE Monitor should be directed to Heather Holley at Purdue University via email, hholley@purdue.edu

Agenda

Wednesday, September 12, 2018

Time	Session
1700-2100	Medication Safety Bootcamp 0018-9999-18-090-L05-P & T (4 contact hours)

Thursday, September 13, 2018

Time	Session	
0800-0900	Breakfast - Registration/check in	
0900-0915	Housekeeping/welcome/introductions	
0915-1015	Keynote speaker	
1015-1030	Break	
1030-1130	You'll Have to Optimize Your Electronic Medical Record CERNER or Later to Satisfy the Joint Commission: It's an EPIC Task 0018-9999-18-091-L04-P&T (1 contact hour)	Transitions of Care Best Practices: Moving the Needle on De-Prescribing and Patient Safety in Post-Acute Care Settings 018-9999-18-092-L05-P&T (1 contact hour)
1130-1230	Multi-Site Validation Study, Clinical Pearls, and Prospective Utilization of the High-Alert Medication Stratification Tool- Revised (HAMST-R) 0018-9999-18-093-L05-P&T (1 contact hour)	Teaching Interdisciplinary Medication Safety: Engaging Learners From the Classroom to the Clinic 018-9999-18-094-L05-P&T (1 contact hour)
1230-1330	Lunch/Vendors	
1330-1415	Implementation of Biosimilars: The Good, the Bad, and the Ugly 018-9999-18-095-L04-P & T (0.75 contact hour)	
1415-1500	Patient and Family Engagement "The PJ Nicholoff Steroid Protocol for Duchenne and Becker Muscular Dystrophy and Adrenal Suppression" 0018-9999-18-096-L04-P & T (0.75 contact hour)	
1500-1515	Break/Vendors	
1515-1700	Diving for Medication Safety Pearls in an Ocean of Opportunities 018-9999-18-097-L05-P & T (1.5 contact hour)	
1700-1800	Social Event/Happy Hour	

Friday, September 14, 2018

Time	Session
0800-0930	Breakfast - Poster Rounds/Vendors
0930-1030	Online Pharmacies: What Pharmacy Professionals Need to Know 0018-9999-18-098-L04-P & T (1.0 contact hour)
1030-1045	Break
1045-1115	Human Factors Engineering: Tips and Tools for Medication Safety 0018-9999-18-099-L05-P & T (0.5 contact hour)
1115-1145	The Impact of Clinician Wellbeing and Resilience on Patient Safety 0018-9999-18-100-L05-P & T (0.5 contact hour)
1145-1245	Lunch - Roundtables
1245-1315	Leveraging Resources to Implement a Robust Antimicrobial Stewardship Program 0018-9999-18-101-L04-P & T (0.5 contact hour)
1315-1345	Take-Home Naloxone Kits: A Prescription for Action 0018-9999-18-102-L04-P & T (0.5 contact hour)
1345-1400	Wrap-up/CE instructions
